BALI

Bali is an innovative and modern project, ideal for those who search to enjoy a scenery surrounded by calmness, amazing ocean and city views, natural pathways, wide open parks and several amenities for the entire family.

LOCATION

The project is located within Costa del Mar, and due to its location you are able to live close to nature and the ocean as well as close to the most important areas of Panama City.

BUILDING

Bali offers a contemporary and tropical architecture, 2 apartments per floor, more than 40 parking spaces for visitors, 4 high speed elevators, an emergency electrical plant and an excellent surveillance system and 24/7 concierge.

LOBBY

APARTMENT

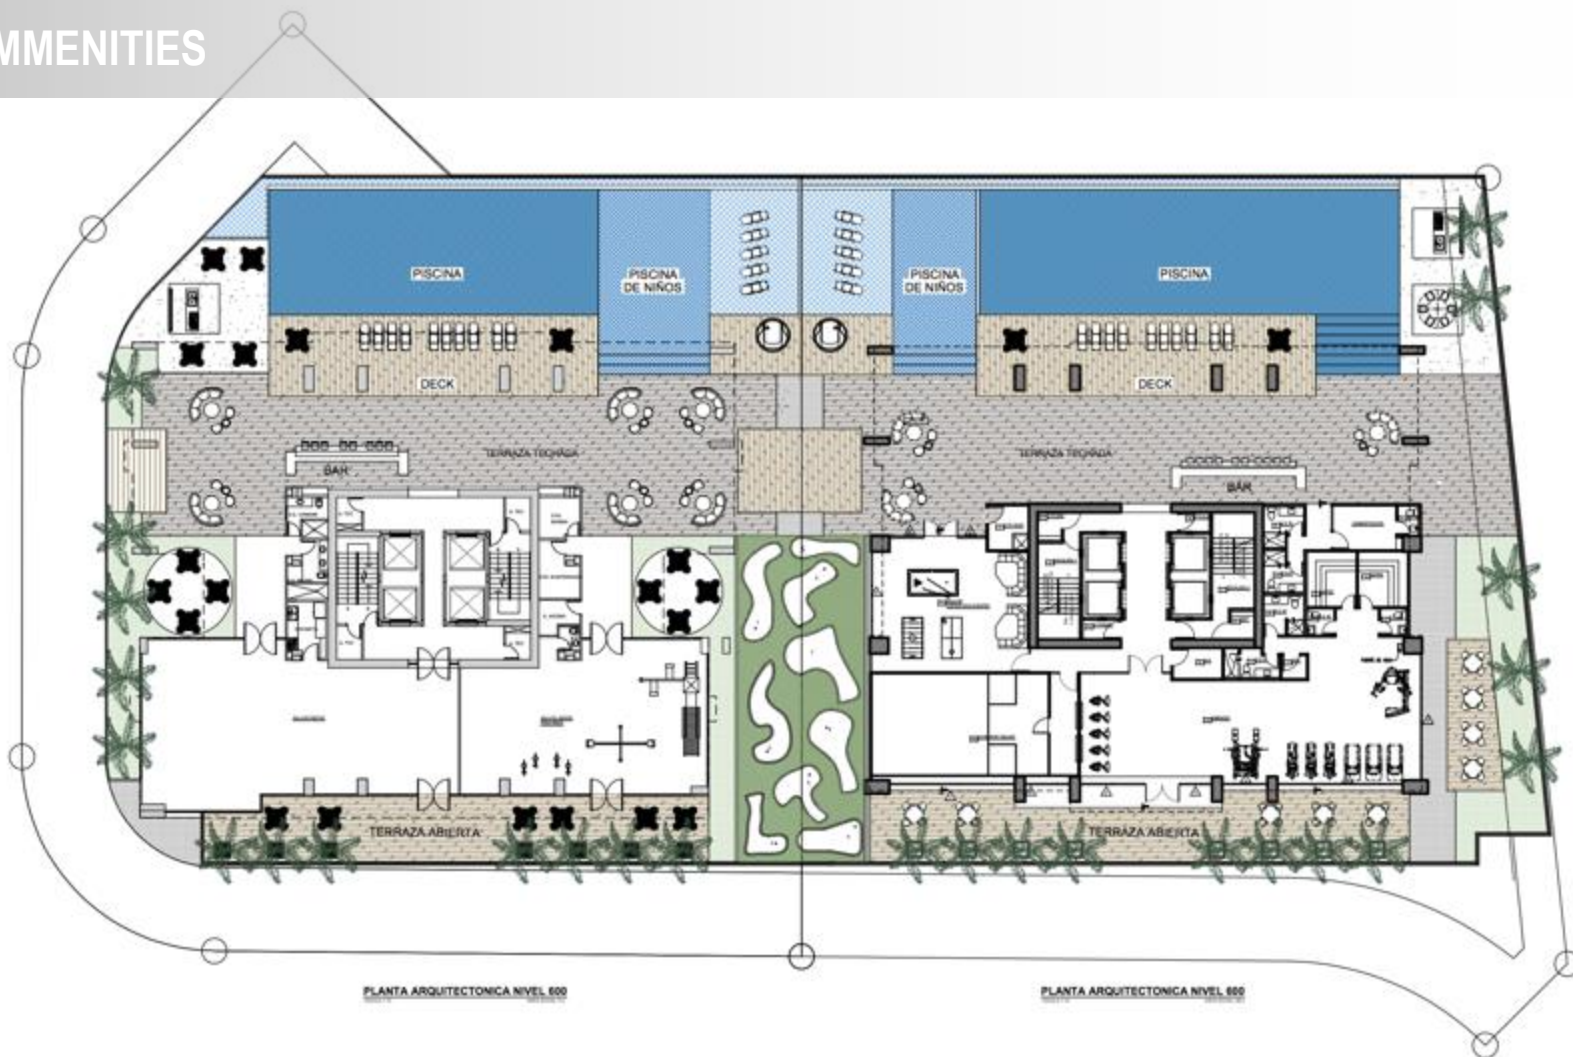

The project will have spectacular apartments of 1700ft² and 1916ft², each carefully designed with the best quality finishes and excellent distribution. They will have spacious bedrooms each with individual bathroom, wide kitchen, service bed and bathroom and a spectacular balcony with an ocean view.

AMMENITIES

Infinity pool with ocean view • Gym • Area for events • Sundeck • Mini golf
